Discover Partner Apps that Extend the Value of Your SAP Concur Solutions

Over 250 partner integrations enable you to do more with your SAP Concur solutions.

Gain the power to cut costs companywide and ensure your revenue continues to rise.

- **Payment Providers** automate and optimize A/P payments to reduce the cost of vendor payments.
- **Zylo** provides visibility into employee software purchases so you can consolidate licenses, standardize tools, and manage IT spend.
- Integrations with **Rocketrip** and **Tripkicks** enable you to reduce travel spend by up to 30% while improving employee engagement and policy compliance.

Achieve greater financial success by making better data-driven decisions.

- More than 55 partner **ERP connectors** integrate with the most popular accounting systems to give your organization an easier, connected way to manage spend.
- **Life Sciences** partners track healthcare attendee spend to facilitate easier reporting for Open Payments and other regulations.
- Partner apps make it easy to comply with **global regulations** around receipts such as e-Bunsho in Japan, e-Fapiao in China, and CFDI in Mexico.

Save time, lower costs, and improve employee productivity.

- E-receipt integrations such as **Uber for Business** and **Lyft Business** streamline the expense process.
- **Catering and meal delivery services** make it easy to order and expense food online.
- Apps provide trip planning, translation, and safety tips to enable you to **improve the travel experience** for everyone.

Overcome the complexity that accompanies growing and stay on a prosperous path.

- **Jet-Set Offset** enables carbon offsetting for travel to align with your corporate sustainability initiatives.
- **Cross-border immigration and tax** partners help you keep up with cross-border payroll tax and immigration requirements for a distributed workforce.
- **Duty of Care** partner integrations enable you to proactively monitor travelers' activity and assist employees in the event of an emergency.

Tools and services to solve financial, operational, and organizational challenges with ease.

Our open platform makes it possible for partners to develop apps and services that easily integrate with SAP Concur solutions and extend the value of our products. With partner apps, you can:

- Use data to make more-informed business decisions
- Reduce costs, improve compliance, and increase efficiency
- Give employees a rewarding work-from-anywhere experience

The screenshot shows the SAP Concur App Center interface. At the top, there are navigation tabs for Requests, Travel, Expense, Invoice, Reporting, App Center, and Links. The App Center is active, showing a search bar and a 'Need Help?' link. Below the search bar, there are two main sections: 'Popular Connections' and 'Enterprise Applications'. The 'Popular Connections' section lists six apps: Concur for Mobile (Connected), Lufthansa German Airlines, Uber, Triplt (Connected), Delta Air Lines (Connected), and Hertz. The 'Enterprise Applications' section lists six apps: Lyft Business, EY Mobility Pathway - Travel, Uber for Business, Airbnb + Concur Travel Search (Connected), Deloitte - Travel Ready, and Rocketrip.

User Connections

- End-user apps
- Generally free
- Concur TripLink and e-receipts

Enterprise Applications

- Authorized by an administrator
- Accesses/pushes data at a company level
- Fee-based

“After integrating the Wipfli Concur Connector to our financial system, what used to take 8 to 12 hours is now done in 30 minutes, and we’ve also lowered the cost of reimbursing our employees.”

Wes Farquharson, Grand Valley Fortifiers
