

POWER COUPLES

Concur Expense & Consultative Intelligence

It's matchmaking at its best. Pairing Concur® Expense and Consultative Intelligence gives you advanced visibility into your spend.

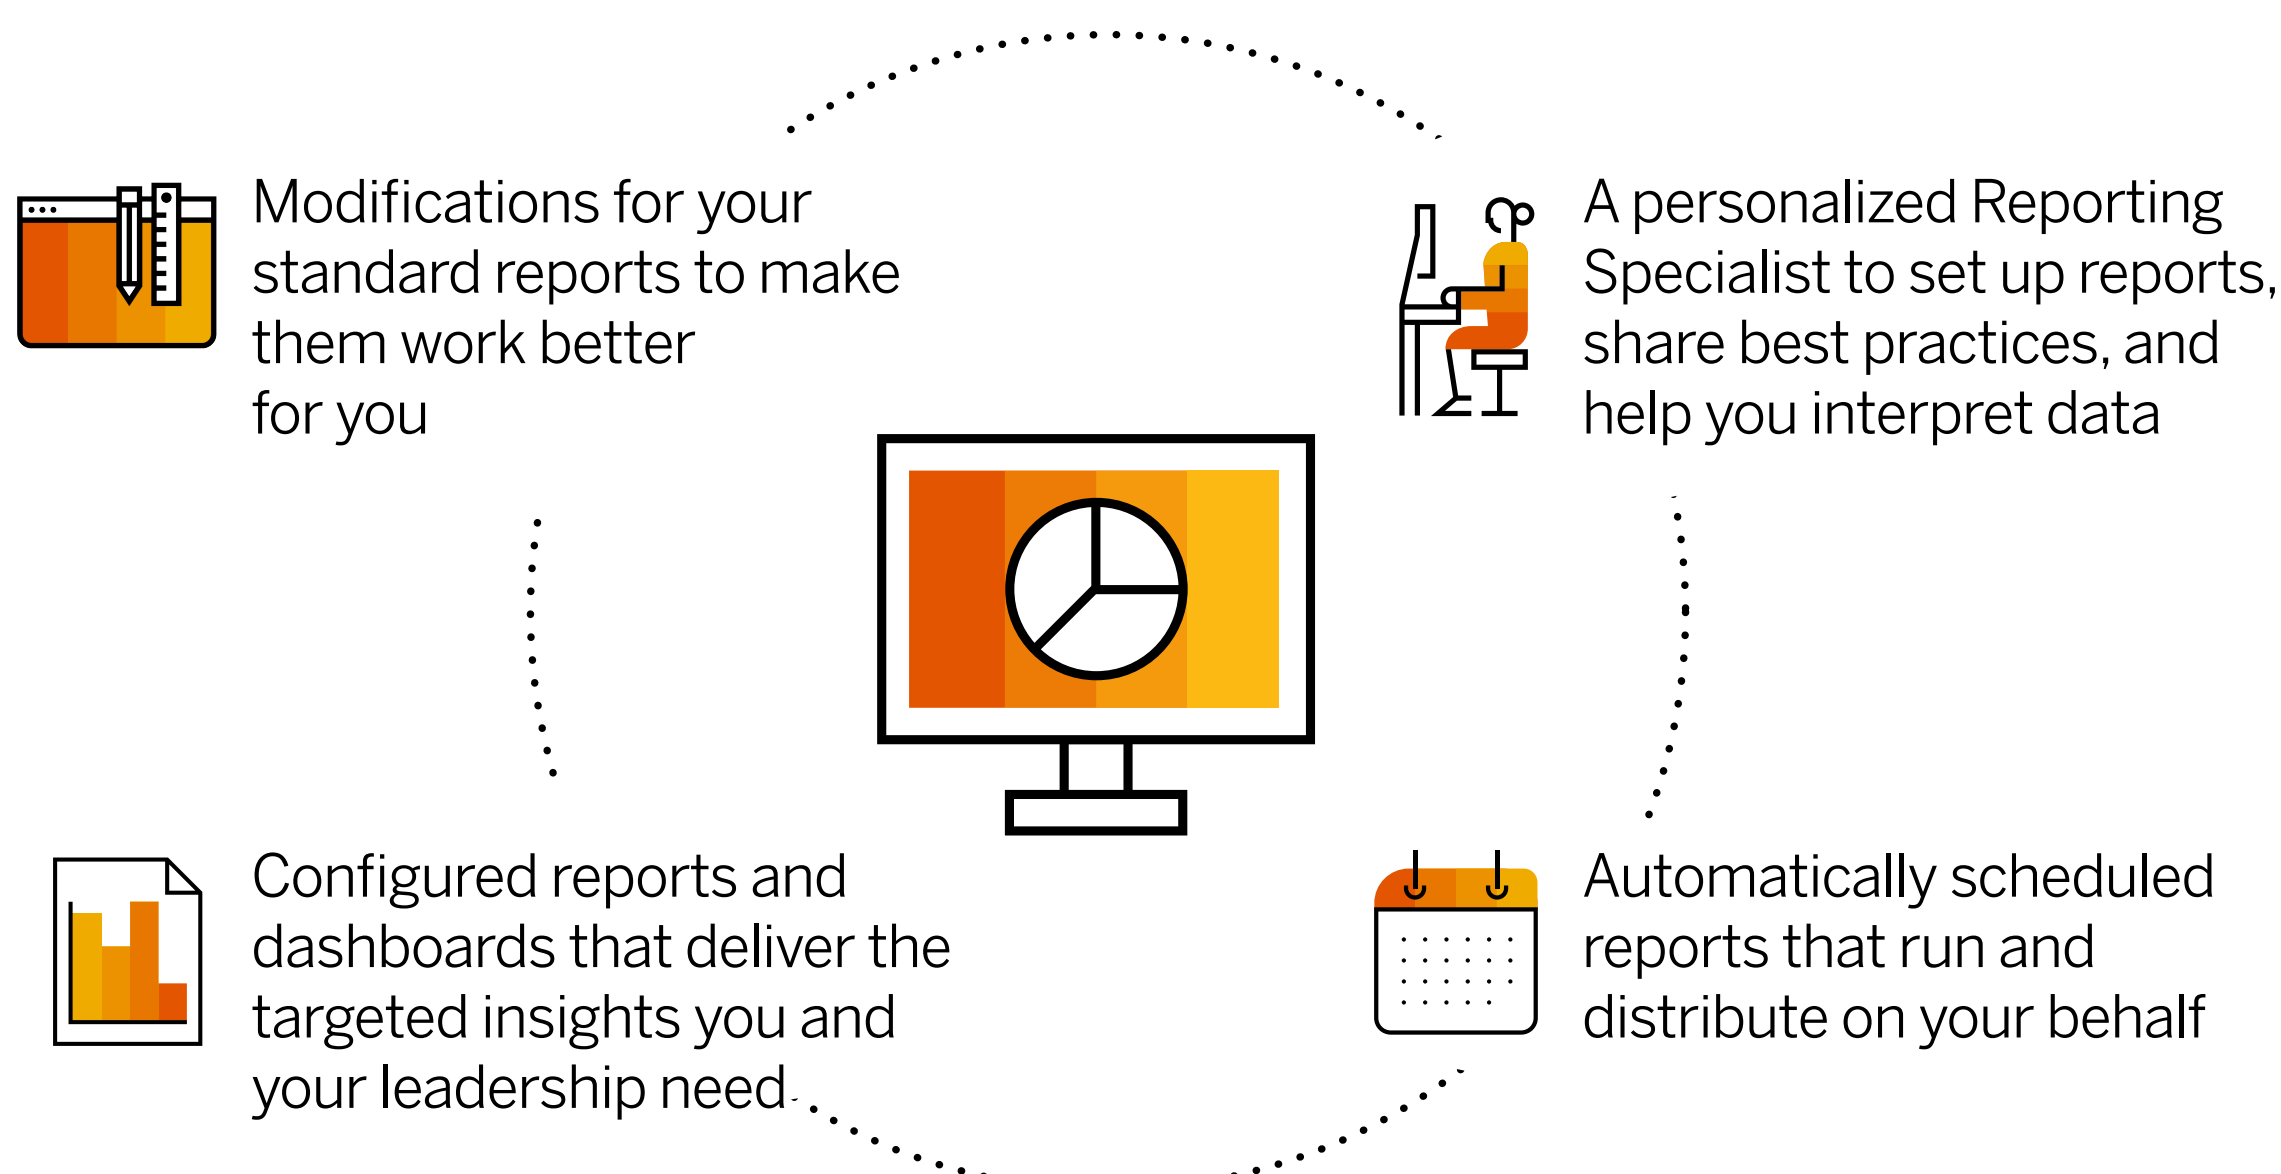

As a Concur Expense customer, you already enjoy the benefits of automating your company spend process, eliminating the need for paper-based receipt tracking and submission. But did you know that when you pair it with Consultative Intelligence, you'll get access to a Reporting Specialist? Along with providing live, customized guidance, your specialist can create reports that can help you move your organization forward.

What does a combined Concur Expense and Consultative Intelligence solution deliver to your employees and your company?

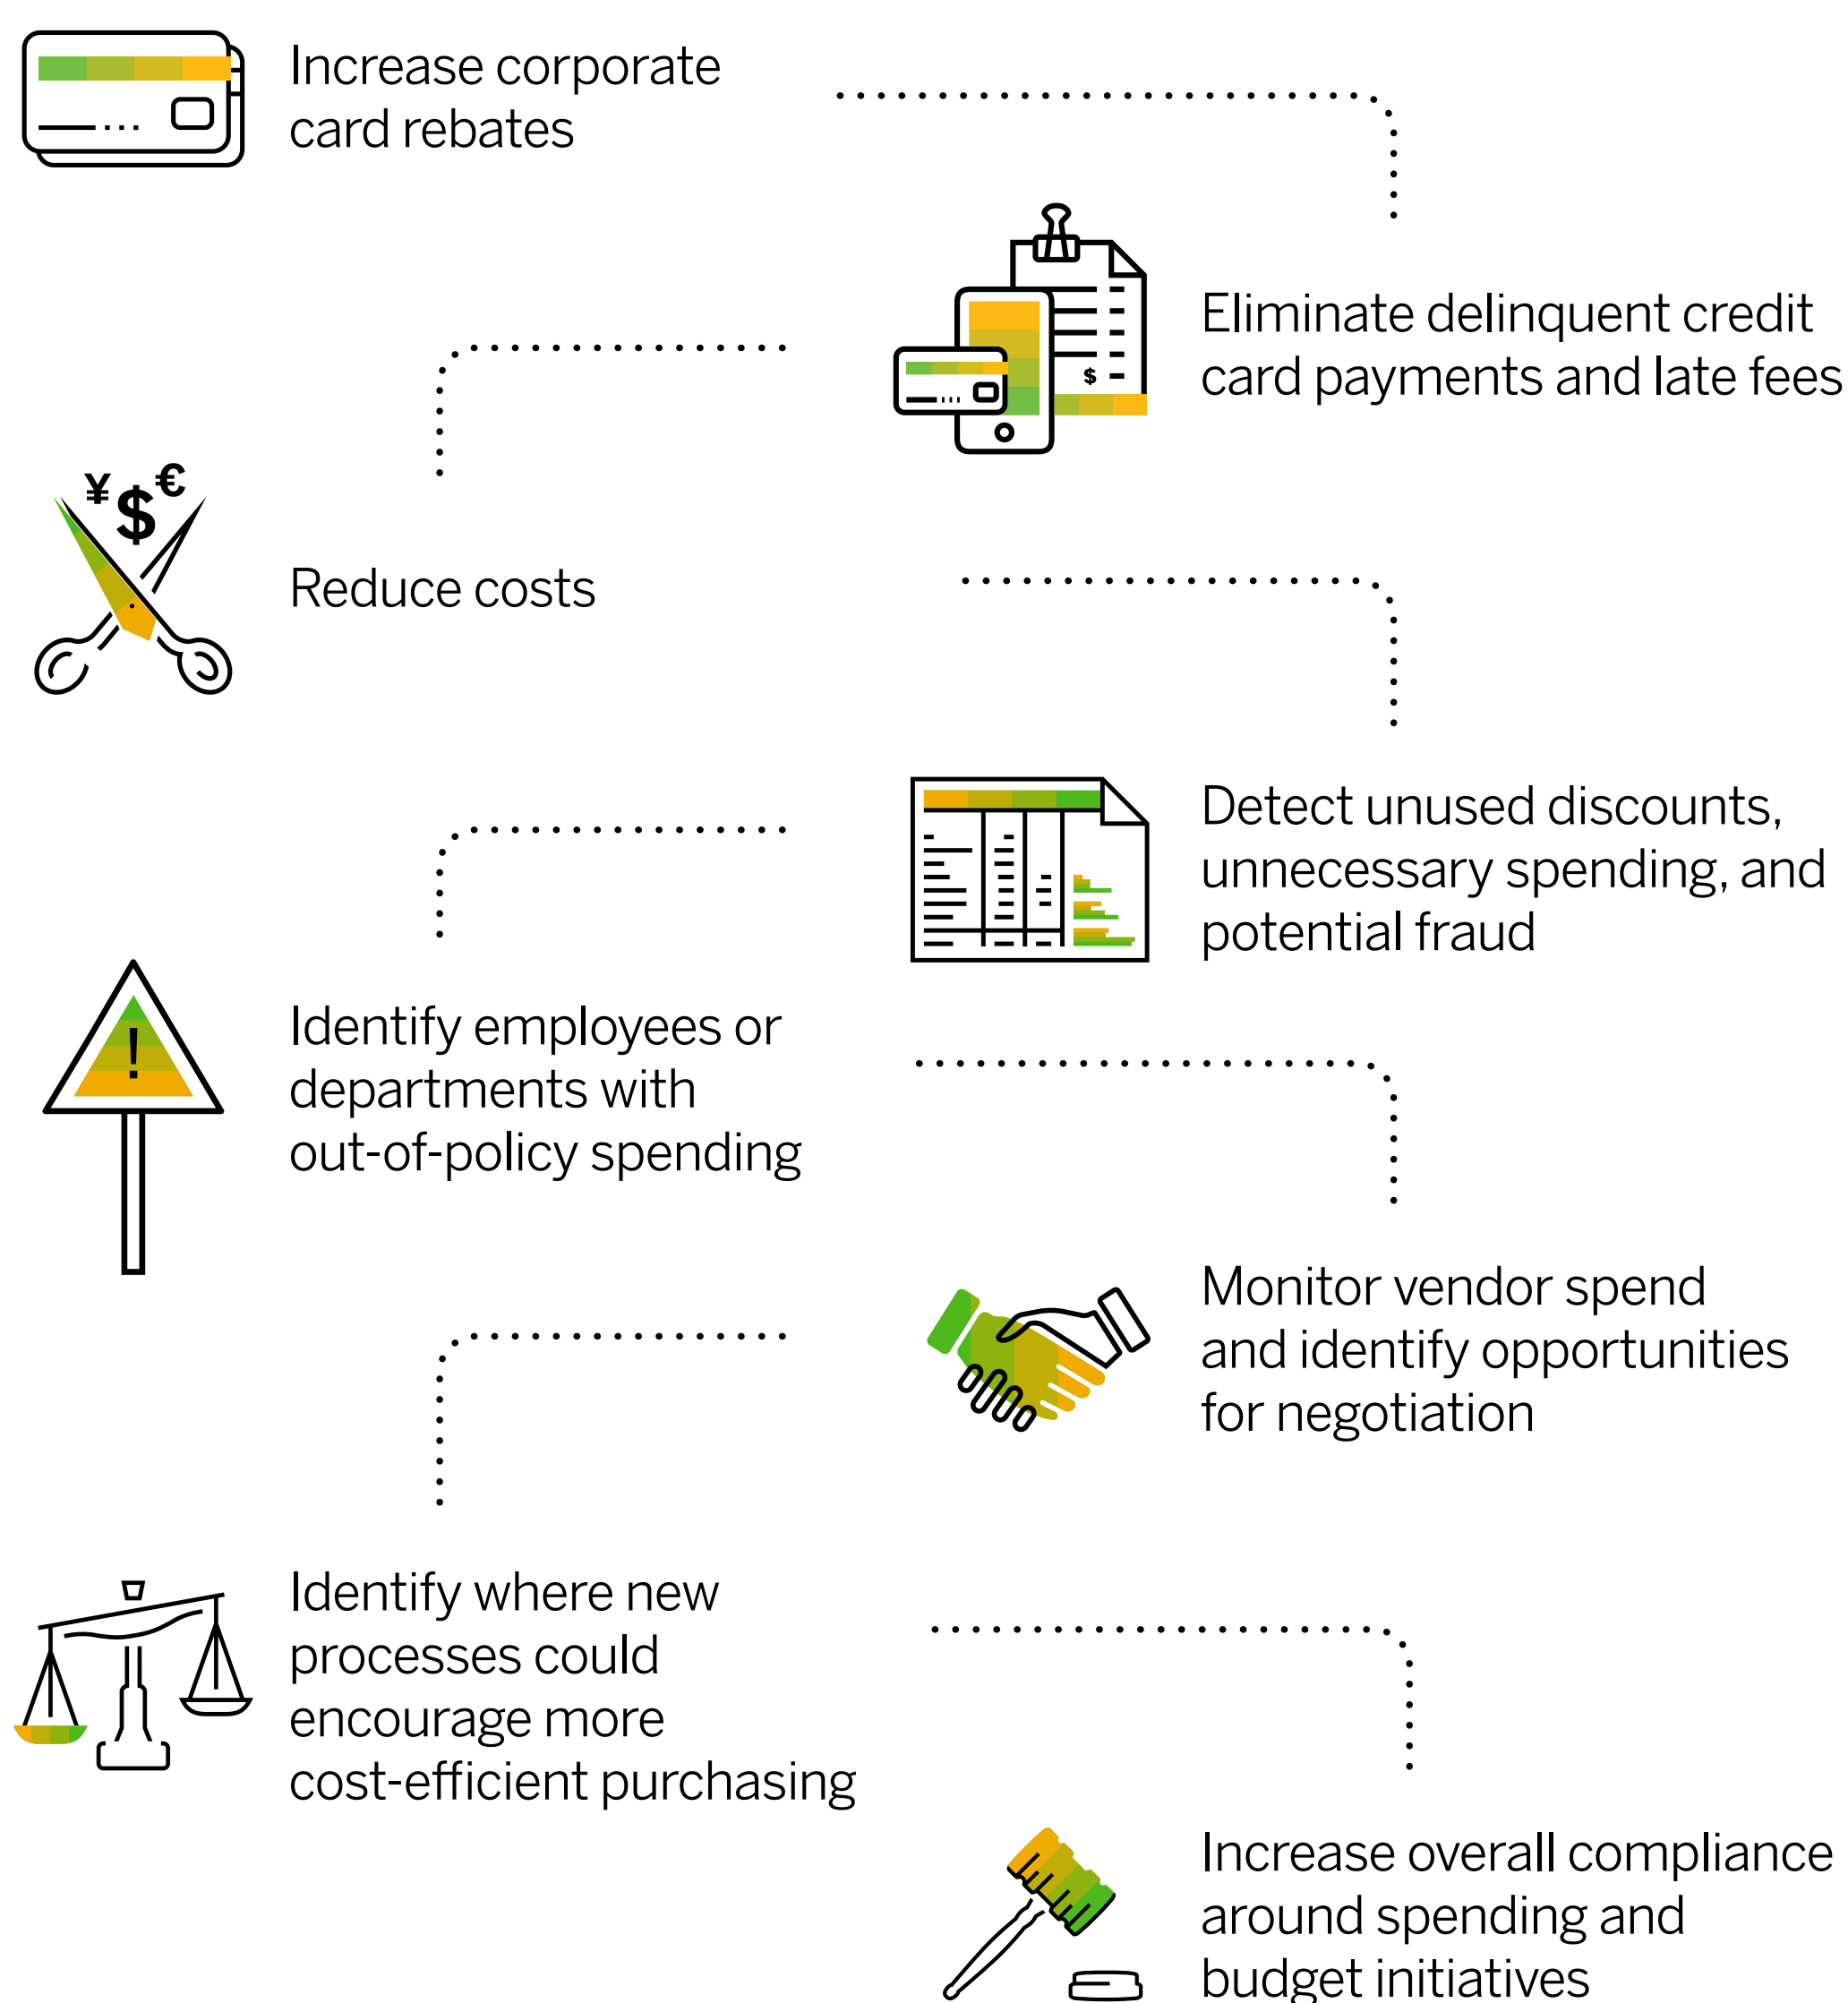

Get more from your spend (reporting)

With Concur Expense, your expense reports pretty much write themselves. Adding Consultative Intelligence can take that data to the next level by providing you with:

Get a clearer view into spend and compliance

Pairing Consultative Intelligence with Concur Expense gives you access to a specialist who can help you get to the root causes of issues and find true opportunities for improvement. Customers who use this dynamic duo have been able to leverage it to:

Two solutions that were made for each other: Together, Concur Expense and Consultative Intelligence give you increased visibility and customized, consultant-led reporting.
