

# Hit the road with your own travel assistant

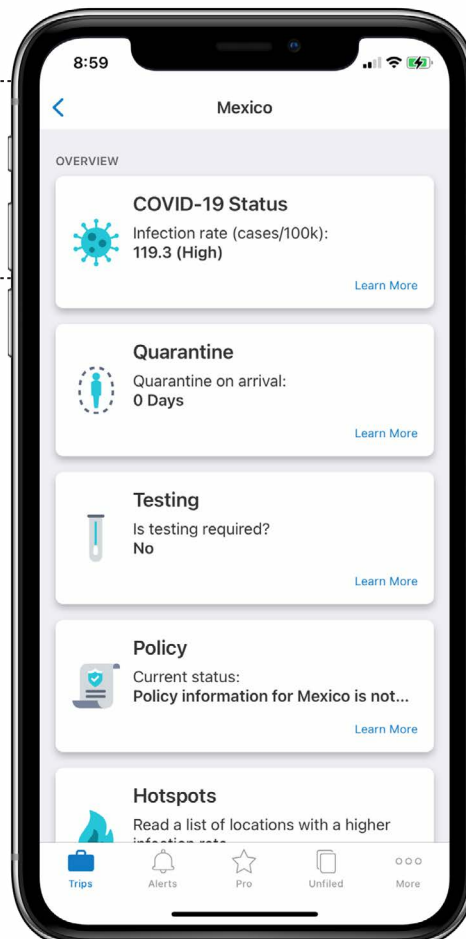

So, it's finally time for a business trip ...

**You are likely ready – even excited** – to escape the home office and resume traveling to meet business clients and colleagues in person. But you have a right to have concerns about safely venturing into the post-pandemic world. SAP® Concur® solutions empower travelers with the information they need and allow employers to manage risks while also boosting productivity and employee satisfaction. With the SAP Concur mobile app and Triplt®, it's like having a travel assistant in your pocket.

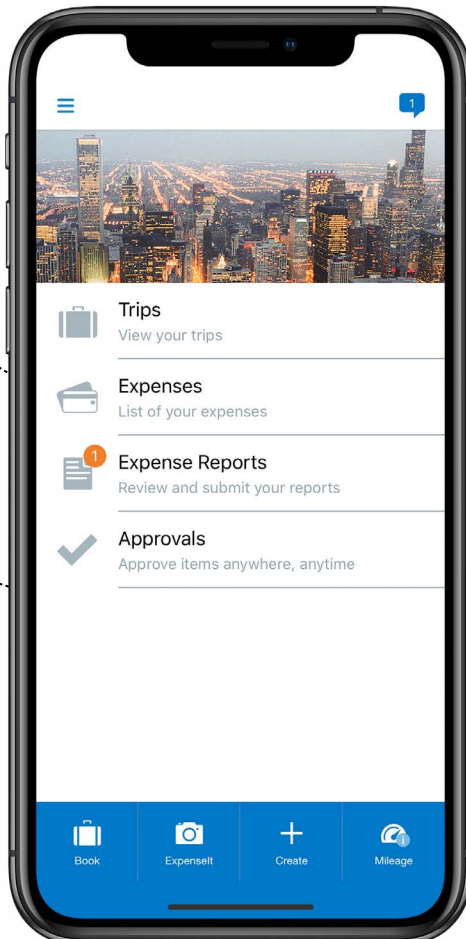

**NO?**

Triplt Pro users can search COVID-19 travel guidance before adding plans to Triplt.

**NO?**

Forward your trip confirmations to [plans@tripit.com](mailto:plans@tripit.com) or set up Inbox Sync to keep all your plans in one place.

Triplt plans flow automatically into Concur® Expense®, making expense reports a snap! (And taking a chore off your plate.)

Triplt shows you Nearby Places, including hospitals, clinics, and pharmacies near where you're visiting.

Sharing your itinerary with Triplt and making sure your SAP Concur profile is up to date helps your company assist you in case you need help.

**IT HAPPENS ALL THE TIME!**

Triplt's Flight Status and Alternate Flights help you navigate changes on the go.

**NO? REALLY?**

**YIKES**  
 We beg you to reconsider!

**Wings up, you're ready for take off ...**

**Looks like you are set!**  
**Triplt Pro and SAP Concur** will help you stay up-to-date on guidelines and information so you can make the best business travel decisions. By using the SAP Concur mobile app and Triplt, you've made your trip easier, safer, and more organized. **Well done.**
