

SAP Concur 

Solutions for Traveler Tax & Immigration | EXTERNAL

**Get fast, accurate answers on tax & immigration issues with EY Travel Risk and Compliance**

THE BEST RUN

# Your employees need to travel tomorrow. Adapt your systems today.

## Understand and mitigate the risks associated with domestic and international business travel.

- When employees travel abroad, they expose themselves and their company to risk: corporate tax risk, immigration risk, social security risk, regulatory compliance risk and more.
- Business travel creates risk for the company: Do I have visibility of where my traveling employees are? Are my traveling employees triggering any tax non-compliance?
- And risk for the individual: Are there restrictions on performing business activities in my destination country? Do I need a visa?

## Keep your mobile workforce compliant, safe and secure

Directly integrated with SAP Concur Expense, SAP Concur Travel and SAP Concur Travel Request, EY Travel Risk and Compliance helps protect your people and your organization.

### Benefits for the traveler

- **Travelers enter information once** — our app integrates with your enterprise's systems, making capture of travel plans quick and easy.
- **Receive immediate feedback** — our sophisticated tax and immigration rules engines provides travelers with immediate feedback on whether they're good to go.
- **Obtain specialist advice** — where things are a little complicated, get specialist advice on before traveling from EY's global network of 10,000 tax and immigration specialists.

### Benefits for travel managers

- **Visualize risks pre-travel** — our app captures employee travel plans so you can visualize and prevent exposure to tax and immigration risks before they become reality.
- **Track employee location and activity** — understand where your employees are going and what they're doing, giving you oversight and control.
- **Manage company risk** — all travel activity captured is analyzed immediately to provide deep insights and focus areas for risk management.
