Save Money on T&E **with an Integrated Solution that Rewards** **Employees for Spending Less on Travel**

THE BEST RUN 

Rocketrip motivates employees to go above and beyond to save on their trips.

With the right incentives plus an automated solution directly integrated with SAP Concur Expense, you could **save 25% or more on business travel.**

Customized travel budget. Integrated expensing.

Managing travel spend can be costly and painful. Rocketrip solves this by giving employees a clear budget and a real incentive to beat it — all within the SAP Concur workflow.

- **Integrated Workflow:** Rocketrip works alongside your existing travel program, so workflow stays the same.
- **Custom Budgets:** Rocketrip calculates a budget and recommends the most rewarding booking options, right in your SAP Concur solution. Before every trip, employees get a custom budget based on real-time TMC data. They enter in their itinerary details, and Rocketrip's algorithms calculate how much the trip should cost based on available booking options and your company's travel policy.
- **Meaningful Rewards:** Employees who spend less than their budget split the savings with their company.

Data-driven process

Rocketrip Insights, a comprehensive analytics and reporting dashboard, provides real-time access to your company's travel spend.

- Improved visibility through immediate reconciliation of travel expenses and comprehensive reporting.
- See who's saving, who's overspending, and how to optimize your company's results.

PROMOTE COST-EFFECTIVE TRAVEL

- Employees receive budgets based on trip parameters, travel policy, and market prices
- Travel expenses reduced 25% or more

GREATER VISIBILITY & CONTROL

ENHANCE THE TRAVEL EXPERIENCE

Save 25% or more on business travel while creating a culture of cost-sensitivity.

Cost-control becomes a win-win for companies and their employees by letting business travelers keep half of what they save on their trips. In addition to saving money for their company, travelers do amazing things with their rewards.

To complement their managed travel program, Feld Entertainment rolled out Rocketrip and is now saving \$301 per trip.
